We would like to introduce you at our 4-star-rated Campingpark Zuruf on the Lake "Plauer See". The campingpark is situated directly in the picturesque area of the Mecklenburg Lake District in the North East of Germany.

150 pitches in varying sizes for tents, caravans and campers are at the disposal of our guests. You can take a swim from our own bathing beach or relax on the bathing platform in the lake. The water's edge is shallow and therefore also suitable for children to enjoy the water. In addition, there is a small nature-inspired playground, as well as a spot for fishing.

The Camping-Activity-Team offers entertainment, fun and games and activities for children (*as well as relaxation for their parents*) in our colourful leisure tent (during German summer holidays). Our traditional culture weeks in summer offer a wide range of events and activities, e.g. live music, comedy, a fashion show or card game tournaments.

Furthermore, we provide facilities for your sport activities: a beach volleyball field, table tennis, badminton or outdoor chess. Our common room completes the leisure time offer with billiard, table soccer, internet access and a public television.

At our campingpark we also offer different rental objects. You can choose between caravans in standard or comfort version. These are fully equipped, have an ample awning and garden furniture. TV is installed in each caravan.

Otherwise you can opt for a cottage. The 16 so called "Finnhütten" offer space for 2-4 persons. They are cosily furnished and equipped with cooking facilities, fridge, crockery and tv. For the outdoor area there is garden furniture provided.

One comfortable holiday flat completes our offer.

We have even more to offer...

At our jetty we provide berths for your sport boats as well as a spot for launching boats. The boats of our boat hire are a popular holiday attraction, including canoes, pedal boats, rowing boats or motor boats (to be steered with or without boat license).

Additionally, you can hire bicycles or go-karts daily, also children's bikes and child-carrier seats are available.

Our modern sanitary facilities are built according to the latest standards and offer a welcoming atmosphere. They are equipped with single or family cabins, floor heating and eco-friendly solar system. Additionally you can rent a bathroom of your own. We also provide facilities, especially for small children and babies with a baby changing table and bath combined.

Get your holiday off to a flying start with a delicious snack and a drink at the reed hut "Schilfhütte", the popular meeting point of our camping-park.

Our team is looking forward to welcoming you.
